

SECURE EQUIPMENT & PARTS STORAGE FOR PICKUPS

"MAX" SECURE PICKUP DRAWER

EZ STAK recommends using a bed cover for optimal protection from the elements.

The "MAX" Pickup Storage Drawer converts any pickup bed into a field service truck providing easy access to hundreds of pounds of tools and supplies. Manufactured with high grade 0.100" North American aluminum and stainless fasteners. The "MAX" drawer extends on heavy duty ball bearing drawer slides with the drawer rated at 500 lbs. total capacity.

- › Equipment and parts storage in long drawer unit - up to 72" depth
- › Top rail around the box for additional cargo securing on top of unit
- › Available dividers for organized storage
- › Key fob locking system

Available in different models for the following trucks:

Ford F150-F550, 5'5", 6'5" and 8' box

Dodge 1500-3500, 5'7", 6'4" and 8' box
