- INCREASED SAFETY**

MAX-40 SECURE PICKUP DRAWER UNIT

EZ STAK recommends using a bed cover for optimal protection from the elements.

60" maximum drawer extension with push button lock

Model# shown: EZ-TDU-18-48-60-D

The MAX-40 Secure Pickup Drawer Unit converts any pickup bed into a field service truck providing easy access to hundreds of pounds of tools and supplies. Manufactured with high grade durable 0.100" North American aluminum and stainless fasteners. The MAX-40 drawer extends on four heavy duty ball bearing drawer slides for maximum weight capacity.

- › Equipment and parts storage in long drawer unit - up to 72" depth
- › Top rail around the box for additional cargo securing on top of unit
- › Available dividers for organized storage
- › Various locking systems available

Available in different models for the following trucks:

Ford F150-F550, 5'5", 6'5" and 8' box

Dodge 1500-3500, 5'7", 6'4" and 8' box

Chevy Silverado/GMC Sierra – standard box & long box

MAXIMIZER-3 PICKUP DRAWER UNIT

The MAXIMIZER-3 Secure Storage Drawer from EZ STAK fits between the wheel wells and offers three different size drawers. The MAXIMIZER-3 drawer extends on heavy duty ball bearing drawer slides for maximum weight capacity. Comes with standard anti-skid coating on the top, adjustable dividers and rubber matting.

Available in different models for the following trucks:

Ford F150-F550, 5'5", 6'5" and 8' box

Dodge 1500-3500, 5'7", 6'4" and 8' box

Chevy Silverado/GMC Sierra
(standard box & long box)

Model# shown: EZ-TDU-16-48-60-DXY

MAX-10 SECURE DRAWER UNIT

The MAX-10 is a smaller scaled down storage drawer unit that keeps your supplies organized and leaves bed space open. It extends on heavy duty ball bearing drawer slides holding hundreds of pounds of tools and supplies. It also comes with standard anti-skid coating on the top, adjustable dividers and rubber matting.

Model# shown: EZ-TDU-10-30-24-D

SIDEKICK WHEELWELL DRAWERS

EZ STAK recommends using a bed cover for optimal protection from the elements.

The SIDEKICK two drawer unit capitalizes on the unusable storage space over either wheelwell. All EZ STAK storage drawers are manufactured with high grade durable 0.100" North American aluminum and stainless fasteners. Available in optional black finish. Long drawer extends to a maximum of 60" using 500 lb. heavy duty ball bearing drawer slides for maximum weight capacity. Optional cylinder locks are available.

Available in different models for the following trucks:

Ford F150-F550, 5'5", 6'5" and 8' box

Dodge 1500-3500, 5'7", 6'4" and 8' box

Chevy Silverado/GMC Sierra – standard box & long box
