EZ Does It... In 5 EZ Steps ▶

1 EZ Concepts

First, tell us what you need and we'll handle the rest. The result will be a vehicle interior that's guaranteed to make your fleet more efficient.

2 EZ Specifications

No list of specifications is too long - or too short. With product consistency and standardization in mind, our engineers will create a 3D model that fits your exact specifications - and exceeds your expectations.

3 EZ Order

You can find a distributor near you or request a FREE quote at ezstak.com. Our Customer Care Program guarantees you'll hear from us right away. Questions? No problem. Talk to one of our experienced sales representatives one-on-one.

4 EZ Installation

Whatever the type or size of vehicle, or fleet, installations are made EZ. We will work with you to create a turnkey solution that gets your fleet to work.

5 EZ Access

We'll make sure you get to your tools and equipment quickly, safely and easily. Take it from satisfied fleet managers across the U.S. and Canada: when you need a mobile workspace that drives efficiency and productivity, the choice is EZ.

Family-owned since 1998, EZ STAK is an industry-leading manufacturer of storage systems for work trucks, service bodies, vans and trailers.

We pride ourselves on working one-on-one with fleet managers until we find custom-fit solutions that maximize worker efficiency and improve productivity. And because we only use products made of high-grade aluminum or galvanized steel, they're built to last — an average of 12 years.

Proudly manufactured in the USA, EZ STAK quickly delivers its products through a network of national distributors.
