c) **Telephone services** - We are committed to providing fully accessible telephone service to our customers. We will train staff to communicate with customers over the telephone in clear and plain language and to speak clearly and slowly. We will offer to communicate with customers by another method if telephone communication is not suitable to their communication needs or is not available.

d) **Billing** – EZ STAK is committed to providing accessible invoices to all of our customers. For this reason, invoices will be provided in the following formats upon request: hard copy, large print, or e-mail. Staff will answer any questions customers may have about the content of the invoice in person, by telephone or e-mail.

e) **Use of Service Animals** – EZ STAK is committed to welcoming people with disabilities who are accompanied by a service animal on the parts of our premises that are open to the public and other third parties. We will also ensure that all staff, volunteers and others dealing with the public are properly trained in how to interact with people with disabilities who are accompanied by a service animal.

f) **Use of Support Persons** – EZ STAK is committed to welcoming people with disabilities who are accompanied by a support person. On occasion, persons with disabilities require the assistance of a support person to protect their health and safety or the health and safety of others. Any person with a disability who is permitted access to EZ STAK’s premises, and who is accompanied by a support person will be allowed to enter the premises with his or her support person. At no time will a person with a disability who is accompanied by a support person be prevented from having access to his or her support person while on EZ STAK’s premises.

g) **Notice of temporary disruption** - In the event of a planned or unexpected disruption in the facilities or services usually used by people with disabilities, EZ STAK will provide customers with notice. This notice will be posted in a high traffic area and will include information about the reason for the disruption, its anticipated duration, and a description of alternative facilities or services, if available.
