# HOW TO MEASURE YOUR COMPARTMENT

## Tips for measuring your drawer:

- » Measure height, width and depth of compartment clear door opening
- » Do you need risers for your drawer? If so, what height?
- » Is there any hardware on the door opening that would affect the height or width?
- » Is there a cutout or notch in your compartment?
- » Choose drawer sizes (3.5", 4", 6", 8" only).
- » Add up total drawer height.
- » 2" clearance is required.
- » Grand total must be less than height of clear door opening.

*\*Order form on page 10*

2" clearance is required when you configure your drawer.  
(1" at the top, 1" at the bottom.)

# WARRANTY

---

## Limited Lifetime Warranty

For over 10 years, EZ STAK has been the industry leader in mobile workspace systems. We feel confident in offering our customers a limited lifetime warranty on our products.

## Period of Coverage

EZ STAK products are warrantied for the lifetime of the product under the original owner; from the purchase date until the day they are taken out of service.

## What the Warranty Does Not Cover

This warranty does not cover damage caused by natural disasters, normal wear and tear, incidental damages, and consequential damages. Items not manufactured by EZ STAK are covered for a period of one year from the date of the original purchase.

## What the Warranty Covers

If your EZ STAK product fails due to a defect in manufacturing, materials or workmanship, we will provide replacement parts, repair or replace it, at our discretion.

## How to Get Service

If you believe your EZ STAK product may have a defect, please email us at [cs@ezstak.com](mailto:cs@ezstak.com) or call us for a warranty evaluation at (630) 994-3300 x1.

## How to Contact Us

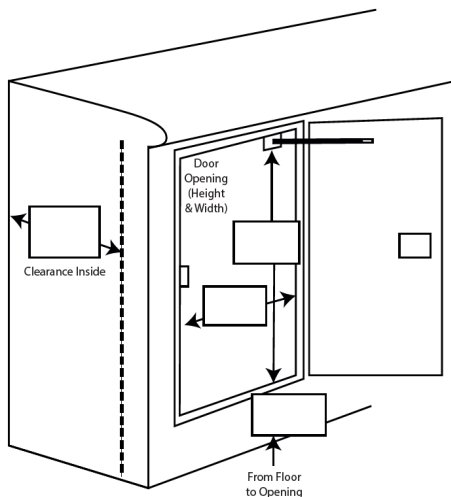

We are only satisfied if you are satisfied. If you have any questions about our products or our warranty service, feel free to contact us today by phone or email and one of our skilled staff members will be happy to assist you.
