BUYER'S GUIDE

OUR COMMITMENT TO YOU

EZ STAK is committed to providing exceptional customer service and workmanship, making EZ STAK products the preferred and trusted choice for major fleets globally.

Our durable, secure and lightweight aluminum storage drawers, cabinets, and shelving units create organized, efficient and secure mobile work environments that last an average of 12 years.

EZ STAK now provides a lifetime warranty on all newly purchased products we manufacture. That means when you make a purchase, you'll also get a promise: If you remain the original owner of the product, and that product ever becomes defective due to manufacturing, materials or workmanship, EZ STAK will repair or replace it for free.

WHY CHOOSE EZ STAK

Customers tell us why they trust us to be their fleet upfit solutions partner:

✓ Quality Manufacturing

Every product we manufacture is engineered and fabricated with the best materials available:

- Built tough to take the abuse of real-time use
- No bending, sagging, or jamming
- One-handed EZ latch operation

✓ One-on-One Consultation

We work with you through your fleet planning process of specifications, design, and budget:

- We listen to understand your needs
- On-site visits to ensure accuracy & precision
- In-house engineers utilize Solidworks 3D Technology

✓ Configurable Solutions

One size doesn't fit all. Choose from our product lines for your desired work space:

- Cabinets, drawers, lockers, & bins
- Insulation, paneling, flooring, & power
- Exterior and generator cabinets

✓ Exceptional Customer Service

Our team is always available by phone to ensure great service through every step:

- Quotations
- Production
- Delivery
- After sale follow-up

PICKUP TRUCK DRAWER SERIES

CONVERT YOUR PICKUP BED INTO A FIELD SERVICE TRUCK

Our truck drawers are designed to fit over the wheel well or between them.

EZ STAK's pickup drawer series are designed to fit any 5.5', 6.5', and 8' truck beds. Gain access to your tools and equipment easily with one of our drawers listed below. If you have a custom unit in mind, please call customer service at 630.994.3300 and we would be happy to design one for you.

SIDEKICK DRAWER

This two drawer unit capitalizes on the unusable storage over the wheel well of your truck. The top drawer extends to a maximum of 60 inches.

STANDARDS

- 4.5" top drawer,
- 10.5" bottom drawer
- Key locks on both drawers

OPTIONS

- Rubber matting
- Drawer dividers
- Tuxedo black on top

MODEL NUMBER	H	W	D
SKU-17-14-50.25-001	17"	14"	50.25"

MAXIMIZER SINGLE DRAWER

The single drawer fits between the wheel wells of your truck. Add dividers to easily organize your tools and equipment.

STANDARDS

- 500lb drawer slides
- Tuxedo black texture on top
- Key lock

OPTIONS

- Rubber matting
- Drawer dividers

MODEL NUMBER	H	W	D

If you don't see a drawer solution that fits your specific needs, please call our customer care team at 630.994.3300 and our engineers will design your ideal layout.

SERVICE BODY DRAWERS

EZ STAK UNITS FIT ANY COMPARTMENT SIZE

Designed to fit: Reading, Palfeet, Knapheide, and Palfinger trucks.

Our tough and durable service body drawers help to organize all of your parts and tools. The drawers come with adjustable sliding tops that can be installed on any service body and we include mounting feet to raise the units if need be. Available in multiple heights, widths, and depths to fit a wide range of compartment sizes.

✓ STANDARDS

Fits right every time. Included in every drawer we manufacture:

- 3.5", 4", 6", 8", & 10" drawer heights available
- 200lb heavy-duty ball-bearing drawer slides
- Adjustable dividers every 10"
- One-handed EZ latch for opening and closing

Manufactured with durable heavy-gauge North American aluminum, 40% lighter than steel.

✓ OPTIONS

One size doesn't fit all. Additional accessories are optional:

- Choice of aluminum or galvanized steel
- Rubber matting to reduce noise and sliding
- Locking mechanism for added security
- Egg-crate dividers for smaller tools

EZ latch operation is designed for easy one-handed open operation.

200lb slides ensure smooth operation. 500lb slides are available upon request.

Custom drawer to organize hundreds of tools. Call for custom sizing, options, and pricing.

VAN DRAWERS & INTERIOR PACKAGES

REAR VAN DRAWERS FOR ANY NEED

We will design a storage solution that works for you.

When we design van interiors, we do so with your specific needs in mind. What equipment will you grab first? Will there be enough space for you to move around? We will design a storage solution that answers these questions and more. Choose from our van drawers or pre-configured packages.

REAR VAN DRAWER

This aluminum drawer unit can be configured for any use, to fit any size vehicle, for easy rear door access. Be more efficient on the job with your tools and equipment organized and easily accessible.

WORK-READY TRAILERS

A MOBILE WORKSPACE THAT FITS YOUR SPECIFIC NEEDS

When it comes to upfitting fleet trailers, EZ STAK ensures the process is easy.

When a workspace is compact, proper organization is key to maximizing efficiency and improving productivity. That's why, when designing work-ready trailers, we work with you one-on-one to create a storage solution that fits how you are going to use it. Whether you need drawers, cabinets, shelving units or even a power supply for your walk-in workspace, we've got the turnkey solution for you.

PANELING

Add additional protection from any elements:

- 1/4" smooth white plywood

FLOORING

Hand picked to protect your trailer floors:

- 48" x 96" hexagonal pattern black
- Textured on one side
- 3/4" black

POWER

We will meet all your energy requirements while on the road:

- Plug into shore power
- GFI's
- HVAC
- Pure shine inverters
- Cummins/Onan generators

INSULATION

Strengthen your trailer body and reduce condensation:

- Spray foam insulation

LIGHTING

Brighten up your workspace with energy efficient lighting:

- Interior lighting
- Directional lighting
- 110V/12V wiring

ALUMINUM CABINETS

Choose from our modular cabinets shown on page 21-25:

- Cabinets/drawers
- Lockers/closets
- Shelf units
- Bin units
- Countertop

Let us help design a layout that suits how you work in the field.

Organize your equipment using our shelving unit with adjustable dividers.

Add an exterior cabinet to any trailer for extra storage needs or power supply.

EXTERIOR CABINETS

FREE UP INTERIOR STORAGE SPACE

Gain extra storage space with our exterior cabinets.

EZ STAK's exterior cabinets provide ample storage on the exterior of the vehicle while protecting its contents from the elements. Choose between storage or generator cabinets.

GENERATOR ROLL-OUT

EZ STAK offers exterior cabinets for all your power needs. The generator roll-out tray is designed to fit up to a Honda 3500 portable generator. Made from North American aluminum, this cabinet includes a secure roll-up door, 500lb slides, and a slide out tray for easy access.

STANDARDS

- Made from aluminum
- Locking aluminum roll-up door
- On-deck mounting

MODEL NUMBER	H	W	D
GEN-39-37-33-001	39"	37"	33"

GENERATOR EXTERIOR CABINET

Choose EZ STAK's generator cabinet to store a fixed generator for all your power needs. The generator cabinet is designed to fit up to an Onan QD 7500. Made with North American aluminum, this cabinet includes a secure roll-up door and a vent through the floor.

STANDARDS

- Locking aluminum roll-up door
- On-deck mounting
- Access holes in floor for air intake and exhaust
- Insulated to contain heat & noise inside the cabinet

MODEL NUMBER	H	W	D
GEN-36.5-47-28-001	36.5"	47"	28"

EXTERIOR STORAGE CABINET

Free up interior space with our exterior storage cabinets. The cabinet is made of galvanized steel for greater impact resistance. Comes with two aluminum doors with a locking T-handle with dust cover.

STANDARDS

- Solid door
- Weather stripping

ACCESSORIES

CHOOSE YOUR ACCESSORIES

Be sure to include some of these optional accessories to make your mobile workspace complete.

RUBBER MATTING

Line shelves and drawers with rubber matting to minimize noise and sliding contents.

POWDER COATING

Want your cabinets to match your company brand colors? We can do that.

LARGE HOOKS

Add larger hooks for jackets or equipment such as power cords.

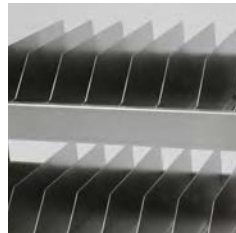

END PANELS

Support a free-standing workbench top with end panels.

DIVIDERS

Add additional dividers to your units. Egg-crate dividers are also available to keep smaller parts organized.

EXTERIOR CABINET

Exterior cabinets come with lift-up or barn doors, a roll-out tray, and a vent tube.

HINGE DOWN DOORS

Get extra security by adding locking doors to any chest or shelving unit.

ETRACKS

Add rows of Etracks to the driver or passenger side of your vehicle.

LIFETIME WARRANTY

EZ STAK now provides a lifetime warranty* on all newly purchased products we manufacture.

That means when you make a purchase, you'll also get a promise: If you remain the original owner of the product, and that product ever becomes defective due to manufacturing, materials or workmanship, EZ STAK will fix or replace it for free.

** Some conditions apply. Please see website for details.*

EZ STAK is an industry leader and manufacturer of modular interior storage systems for work trucks, service bodies, vans and trailers. We pride ourselves on delivering custom-fit and turnkey solutions, so whether you need a work- ready trailer, upfits to van interiors or just cabinets for your fleet, we've got you covered. And because we only use products made of high-grade aluminum or galvanized steel, they're built to last — an average of 12 years.

EZ STAK quickly delivers its products through a network of national distributors. Look for a distributor near you at www.ezstak.com.

If you don't see what fits your specific need in this brochure, please call our customer care team for other innovative product solutions.
