

NEW OFFERING!

# EZ STAK EXTENDER SERIES

Our new EZ STAK Extender Series is ideal for SUVs, vans, and pickups. Choose from our line of modular storage solutions, including drawers, cabinets, and shelving, to create a system unique to you. No need to reach in to access tools and equipment; have instant access from all angles by simply extending the truck bed slide to its full length.

## ROLL-OUT YOUR CUSTOM DRAWER UNIT WITH THE EZ STAK EXTENDER SERIES

Introducing the new EZ STAK Extender Series, designed for SUVs, vans, and pickup trucks. No more reaching in, the EZ STAK Extender makes it easy to access 100% of your equipment from all sides.

### CONFIGURABLE DRAWERS

Design your configurable drawer solution with the following options:

- Equipment drawer
- Closet storage
- Shelf unit with flip-down door
- Filing drawer
- Open storage with tie-down
- Chest units
- Shelving unit

### EZ STAK EXTENDER SERIES

Designed for SUVs, vans, and pickups, the EZ STAK Extender Series features:

- 65", 70", 75" and 90" available lengths
- 100% access of cargo equipment
- 2000lb. weight capacity
- Locking mechanism every 20"
- Rises only 4.25" above the truck bed
- One-handed operation
- Easy installation
