

EZ FOLDING SHELF

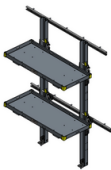

FEATURES:

- Designed for Ford Transit and Ram Promaster high roof and medium roof vans.
- Each shelving unit has a load rating of 250lbs, evenly distributed.
- Slow gas spring assist so delivery personal can open and fold-down shelves safely and easily.
- Each shelving unit comes with two foldable shelves, available in four widths.
- Corners come with yellow safety guards to make it visible and safe for workers.
- Strategically designed to use OEM mounting holes for simple installation.
