OUR PROCESS

We are an industry leader and manufacturer of modular interior storage systems, who focus on improving service technician efficiency. We continually strive to create the best design, use the most robust materials, and improve ergonomic aspects of the drawers, cabinets and shelves that result in maximizing efficiency and improving productivity.

MADE IN AMERICA

Our ambitions are global but our storage systems are made local.

CUSTOMER CARE

With our Customer Care Program, you'll hear from us right away.

LIFETIME WARRANTY

The quality of our products ensures Limited Lifetime Warranty.

ABOUT OUR COMPANY

A NOTE FROM OUR CEO

From the first day EZ STAK opened for business, it's core focus has been to deliver quality and service to its most valuable asset - the Customer!

Our staff at EZ STAK strive every day to ensure products are designed, manufactured and shipped with an exacting attention to the wants of the Customer.

Ultimately, the determining single factor of EZ STAK's success is delivering "joy" to the Customer!

Mike Lawrenson, President & CEO

THE HISTORY OF EZ STAK

1998

Mike Lawrenson started Ranger Supply in Kingston, Ontario from his home garage. A company specializing in outfitting trucks to enhance efficiency on the job for people in the trades.

2010

Ranger Supply is renamed to OPS Inc., which is eventually absorbed by EZ STAK Inc.

2020

EZ STAK opens a 75,000 sq. ft. facility in Watertown, NY which is the current manufacturing facility.

2002

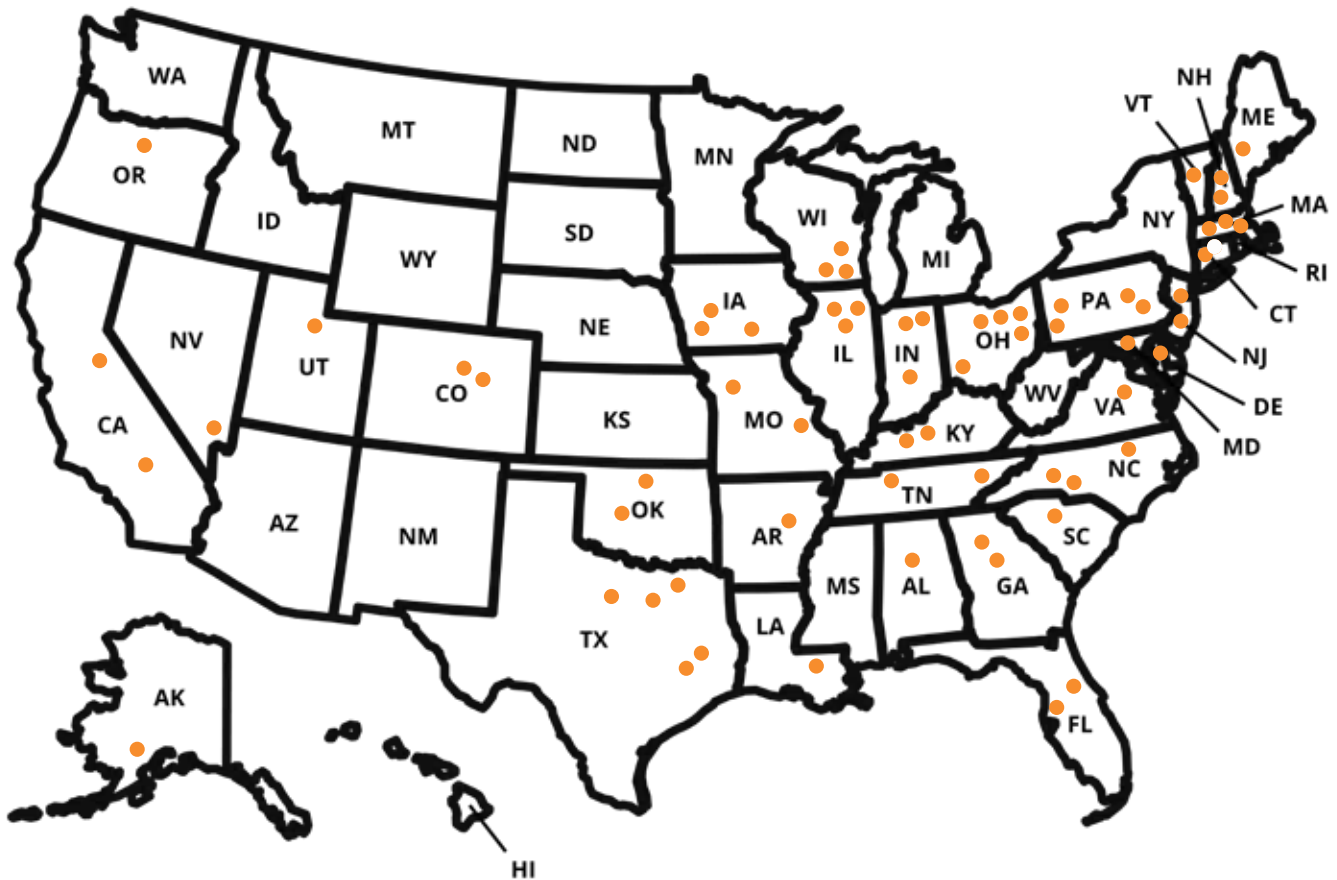

First large contract was landed with a large municipality. 16 vans were outfitted with shelving, generator cabinets, fuel storage and strobe lighting.

2014

EZ STAK registers as a U.S. corporation and opens it's first U.S. facility near Chicago, IL.

HOW TO BUY

We have a large network of distributors across the United States where you can buy our products. Visit our website at ezstak.com/where-to-buy to find contact information for your local dealer. Don't see a dealer near you? Call us today at 315.595.3300 and we will be happy to assist you.

INTERESTED IN BECOMING A DISTRIBUTOR?

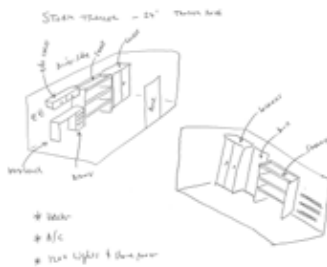

Give us a call at 315.595.3300 and we would love to get you set up today.

WORK-READY TRAILERS

STEP 1 CONSULT

EZ STAK will meet with you to understand your fleet needs from trailer specifications to interior cabinets to electrical.

STEP 2 DESIGN

We will provide three design revisions, using state-of-the-art design software to create an interior to suit your needs.

STEP 3 BUILD

With lean manufacturing and quality workmanship, we ensure your interior will be durable, safe and secure.

STEP 4 DELIVER

We will arrange delivery of your vehicle to either you or your local distributor. We can deliver anywhere in North America.

WE ARE YOUR ONE-SOURCE PROVIDER FOR TURNKEY TRAILERS

SERVICE BODY DRAWER OPTIONS

CUSTOM NOTCHING

Add a custom notch on your drawer so it fits perfectly inside the compartment of your service body truck.

DRAWER LOCKING

Keep your tools and equipment safe and secure by adding on our cylinder key lock to each drawer on your unit.

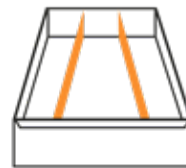

POWDER COATING

Choose from our standard powder coating colors: black, white, red or blue, or choose a custom color. Powder coat just the drawer faces or the entire unit.

DIVIDER OPTIONS

All drawers come standard with a front-to-back divider every 10". Add on more dividers to stay even more organized!

Front-to-back
dividers

Side-to-side
dividers

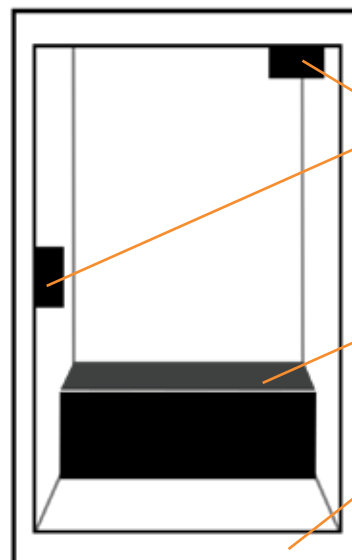

Egg crate
dividers

MEASURE YOUR COMPARTMENT

Before choosing a service body drawer, please measure your compartment:

1. Measure height, width and depth of compartment clear door opening.
2. Do you need risers for your drawer? If so, what height?
3. Is there any hardware on the door opening that would affect the height or width?
4. Is there a cutout or notch in your compartment?
5. Choose drawer sizes (3.5", 4", 6", 8" only).
6. Add up total drawer height.
7. 2" clearance is required.
8. Grand total must be less than height of clear door opening.

Is there any hardware on your door opening?

Is there a cutout or notch in your compartment?

2" clearance is required when you configure your drawer. (1" at the top and 1" at the bottom)

PICKUP TRUCK STORAGE

LOCK-IN, LOCK-OUT SLIDES

Lock-in, lock-out slides will keep your tools from sliding around – even when you are parked on a slope!

DRAWER CAPACITY

Store an additional 750lbs of tools and equipment on top of the drawer unit and secure it to the cargo rail.

WEATHER PROTECTION

With our weather stripping, there is no need to worry about your contents getting damaged from the elements.

SAFE & SECURE TOOL STORAGE FOR YOUR PICKUP TRUCK.

SECURE UNDERSEAT STORAGE

STANDARDS

- Made from 16-gauge steel
- Entire unit powder coated black
- Access tools from either side
- Dual lid operation
- Paddle latches on each lid
- Slam latch feature
- Edge guard to protect fingers
- Convoluted foam inside
- No drill installation

ACCESSORIES

RUBBER MATTING

Add rubber matting to minimize sliding and noise inside cabinets and drawers.

DRAWER DIVIDERS

Add side-to-side, front-to-back, or egg crate dividers to any drawer.

CABINET LOCKING

Add on a t-handle latch or cylinder key lock to keep your supplies secure.

ADJUSTABLE SHELVING

Adjustable shelving allows you to customize the height of your shelves.

PERFORATED DOORS

Improve drying times of contents, or better air flow for hot sticks.

LARGE HOOKS

Store jackets or equipment such as cables and cords on large hooks.
