

Refer A Friend and Get Money

Employee Referral Bonus

Employees will receive \$200.00 for referring a new employee that successfully completes the (90-day) probationary period.

Employees will receive an additional \$200.00 if the recruited employee is fully employed with the company after one year from their hiring date.

Employee Eligibility

- Both the referrer and the referred employee must be employed by the company for you to receive the referral bonus.
- EZ STAK employees may refer new applicants in any pay / qualification range, either above, below or at the same pay / qualification grade as themselves, and for any position.
- There is no limit to the number of referrals an employee may provide.

Referral Eligibility

Eligible Referrals

- Any person who is qualified for the position that is not or has not been previously affiliated with EZ STAK is eligible for referrals.

Non-Eligible Referrals

Referrals that will be ineligible for the referral program are those that may produce a conflict of interest in their employment for either EZ STAK or our employees. These consist of:

- Any current or former temporary or full-time employee of EZ STAK.
